- After 1<sup>st</sup> exit, check Main & Left Mirrors, indicate Left, take 2<sup>nd</sup> exit

#### **Mini Roundabouts**

- Mini Roundabouts need more care to cross as there is more information to process
- On approach, check Mirrors, slow down, get into 2<sup>nd</sup> gear.
- Look out for lanes that may feed vehicles in non-standard positions
- Indicate to left or right – do not indicate if going straight ahead
- Look out to right & ahead. STOP if traffic is on the roundabout
- Try to work out where traffic is going by looking at their indications.
- If traffic to your right is not moving, they may be waiting for traffic to *their* right.
- If turning right, you do not need to indicate off to the left
- If going straight ahead, you do not need to indicate
